

Let's Work Together To Make A Difference!

LITTLE FREE LIBRARY

Preschool Readers donated a Little Free Library to Kate Jackson Park located near Hyde Park Village, in Tampa, FL. A Little Free Library is a "take a book, return a book" free book exchange. Anyone may take a book or bring a book to share.

WHY WE DONATED

To foster a love of reading and inspire children in our community to discover the joy of reading through open access to exciting, rich, and varied text.

STORYTIME

We provide Free Storytime In The Park every first Saturday of the month, creating a literacy-rich community experience for local families.

HOW YOU CAN HELP

Our Little Free Library has been very popular and we often find it nearly empty. Donations of new or used books to our library would be greatly appreciated!
